## LICENCE FOR WOOD PACKING MATERIAL MARKING

Referring to new requirements in ISPM 15 in 2009. It is hereby confirmed that your company is approved for wood packing material marking in accordance with the **guidelines for regulating wood packing material in international trade, ISPM 15**. The company is therefore licensed to use the mark with IPPC-logo as shown below:

HT - Heat treated.

The mark should be placed on a visible location, preferably on at least two opposite sides of the article being certificated.

The company is obligated to fulfil the requirements set by the mentioned standard. The company will be inspected regularly by the Norwegian Food Safety Authority. The last inspection took place 15<sup>th</sup> of May 2009, and the company is considered to conform with the current regulations of ISPM 15.

Yours Sincerely

  
Stig Atle Vange
